

ENGINEER PROF. CAJETHAN MADUABUCHI NWOSU APPOINTED HEAD OF DEPARTMENT – ELECTRICAL/ ELECTRONIC ENGINEERING AT USET

It is with great pleasure and delight that The Gambia University of Applied Science Engineering and Technology (USET), announce the arrival of Engr. Prof. Cajethan Maduabuchi Nwosu as Head of Electrical/ Electronic Engineering Department. Prof Nwosu is a Nigerian by nationality. He went through a laborious and challenging interview and selection process of the USET selection committee of which he became outstandingly successful. His appointment at USET dates back to 1st May 2023.

Engr. Prof. Nwosu's career dates back to 2005 at the University of Nigeria, Nsukka – Nigeria. As a young Engineer, he rose through the ranks and attained his Doctorate (PhD) degree in 2015. He rose to the rank of Professor since 2018. Engr. Prof. Nwosu was recently Head of Electrical Engineering Department at University of Nigeria - Nsukka in Nigeria before moving USET - The Gambia. Engr. Prof. Nwosu has also been the Applied Research Coordinator of World Bank assisted Africa Centre of Excellence for Sustainable Power and Energy Development (ACE-SPED), University of Nigeria.

Engr. Prof. Nwosu has a very impressive track record of both academic and professional achievements. He is a member of editorial and professional bodies within and outside Nigeria. He has great wealth of knowledge with wide range of experiences. During his career, he served as a leader, mentor and role model to many. He is also a very versatile and seasoned researcher. He has authored and published 2 books, 16 conference papers and over 40 journal articles in both local and international reputable journals.

As a university, USET gladly and proudly receives Engr. Prof. Nwosu because of his significant but tremendous achievements. In addition, he has proactive, enterprising, research, commitment, administrative and leadership skills. There is no doubt that he will work hard and contribute to knowledge production and the development of the entire USET Community. On behalf of the Chairman and entire USET Governing Council, we wish Engr. Prof. Cajethan Maduabuchi Nwosu a great, fulfilling and memorable experience at USET – The Gambia.
